## HOMEMADE PLAY DOUGH

- 1 cup all-purpose flour
- 1 tablespoon vegetable oil
- 1 cup water
- 1/2 cup salt
- 2 teaspoons cream of tartar

## food coloring

- 1. Heat all ingredients over low heat in a saucepan.
- 2. Stir occassionally until it forms a ball.
- 3. Remove from pan and knead until smooth (It will be very warm!)
- 4. Add food coloring.

You can be inventive: try substituting half of the flour for cocoa, porridge oats or even coffee. Add different smells, colour or glitter.
